

Recycling and Yard Waste Drop Off Site and Hours of Operation

I - DEFINITIONS

Bulk Items are defined as follows: Sofas, Chairs, Mattress, Bed Frames, Recliners, Dehumidifiers, Televisions, Bathtubs, Toilets, Furnaces, Desks, Air Conditioners, Dishwasher, and Tables.

White Goods are defined as follows: Refrigerators, Freezers, Washers, Dryers, Microwaves, Hot Water Heaters and Stoves.

Carpet is defined as follows: Carpets and foam underlining.

Hazardous Materials are defined as follows: Any chemicals (dry or liquid), acids, batteries, asphalt or roofing shingles or the like.

Construction Materials are defined as follows: Items such as wood scraps, dry wall, and plumbing materials. Wood needs to be separated from other construction material, as much as possible.

Asphalt or Roofing Shingles **ARE NOT** considered construction materials and are treated differently.

II – RECYCLE AND YARD WASTE DROP-OFF SITE SCHEDULE

In order to exploit efficiencies and to minimize impact in Department of Public Works operations, a Recycling, Yard Waste and Brush Drop-Off Site is operated at the north end of 87th Street. The site is open from a selected date in April through November, weather depending. The Village's recycle and yard waste drop-off site will operate on Saturday of each week. The site is open from 10 AM to 2 PM, accepting Bulk, White Goods, Oil, Yard Waste, Construction Materials, Carpets, and Brush items as defined above. A Department of Public Works employee will operate the compost drop-off site. This site **WILL NOT** accept household garbage items.

From early June through the end of September, the recycle and compost drop-off site will operate on Monday and Wednesday of each week. The site will open from 11:45 AM to 7:15 PM for the drop-off of yard waste and brush **only**. All other types of materials will be turned away.

Brush must be tied in proper bingles. MAXIMUM SIZE ACCEPTED: Branches and limbs, up to 4" in diameter and 4' in length, tree stumps MUST not exceed 24 inches in diameter and 4 feet in length. Brush must be separated from Yard Waste and other garbage.

Hazardous Waste and Tires **DO NOT** get dropped off at this site. Hazardous Waste is dropped off at 6200 - 21st Street, Racine on the dates indicated on the recycling calendar. Tires are dropped off at any local tire dealership. Property owner will need to make special arrangements with a roofing contractor to properly dispose of asphalt roofing shingles.

Items will be off loaded by the person delivering the items. The site is available to Village residents only. Proof of residency will be required before drop-off occurs.
